Hi Chris, the Motion to Seal is due on Tuesday, February 22nd under the current schedule. Would you consent to a motion to extend the date for filing the motion to seal the transcript that would maintain the current "temporary" sealed status of the transcript? Perhaps an extension to 2 weeks after Judge Vanaskie issues an Order on the 1/18 hearing?

Thanks,
Julie

Hi Julie,

Plaintiffs would like to wait for the Court's decision/order on the documents at issue in this transcript before finalizing any redactions. Does ZHP agree?

Best,
Chris

Subject: Motion to Seal 1/18/2022 Transcript - Plaintiffs' Consent Requested

Dear Chris,

I write to request that Plaintiffs consent to the ZHP Parties' Motion to Seal portions of the transcript from the January 18, 2022 hearing ("Transcript"). Based on our review of the Transcript we identified a small number of redactions that relate to the five (5) documents the Special Master determined during the hearing should remain sealed as restricted confidential information. Additionally, we identified two redactions from to the parties' arguments regarding the GMP Inspection Report. We recognize that these latter two redactions may be subject to adjustment once the Special Master issues his ruling on our letter briefs. However, until the parties have a ruling on the GMP Inspection Report, the identified statements in the Transcript should remain sealed.

Attached to this email is a copy of the Transcript bearing the proposed redactions and a chart identifying the specific page/line redactions and the specific language to be redacted.

Please review the proposed redactions and let me know by close of business on Thursday, February 17, 2022 whether Plaintiffs will consent to the Motion to Seal.

Warm regards,
Julie
